WAITLIST AGREEMENT FOR UPCOMING LITTERS

Official document of Northhaven Cavapoos · Updated September 10, 2026

This Waitlist Agreement (the "Agreement") is made between Northhaven Cavapoos, operated by Amélia Bonnie ("Breeder"), and the Applicant identified below. Choose the waitlist when you want to wait for an upcoming litter—not a puppy ready today. Breeder will keep Applicant updated as litters are planned and when a matching puppy may be expected. This Agreement covers waitlist placement only. It does not reserve a specific puppy, does not complete an adoption, and is separate from the Purchase / Adoption Agreement.

4. Waitlist Fee

- Waitlist fee: USD \$300.00
- Preferred payment methods: Apple Pay, Zelle, and Chime (instructions confirmed after approval)
- The waitlist fee holds administrative consideration for upcoming / future litters; it does not hold a specific puppy available today
- When a matching puppy is offered and Applicant chooses to proceed, a separate Purchase / Adoption Agreement and an \$800 reservation fee will apply toward the \$1,200 puppy purchase price

5. What Waitlist Status Means

- Waitlist means Applicant is waiting for upcoming litters and will receive updates as litters are planned.
- Submitting an application or joining the waitlist does not guarantee a puppy.

- Breeder may approve, decline, pause, or remove a waitlist placement in the best interest of the dogs and family match.
- Breeder will make reasonable efforts to contact Applicant when a potentially suitable puppy or litter is expected.
- Applicant should keep contact information current and reply within a reasonable time when a match is offered.

6. Refunds & Cancellation

- Waitlist fee is generally non-refundable after Applicant is accepted onto the waitlist, because it reserves administrative consideration for future litters.
- If Breeder cancels the waitlist placement without offering a reasonable alternative match path, Breeder may refund the waitlist fee.
- If Applicant withdraws after acceptance, the waitlist fee is forfeited unless Breeder agrees otherwise in writing.
- Any puppy reservation, purchase price, health guarantee, refund, pickup, or delivery terms are governed only by the separate Purchase / Adoption Agreement signed for that puppy—not by this Waitlist Agreement.

7. Privacy & Communication

Applicant information is used to review suitability, communicate about upcoming litters and possible matches, and prepare for a future placement.

8. Entire Agreement

This Waitlist Agreement is the entire agreement regarding waitlist placement and the waitlist fee. It does not replace a future Purchase / Adoption Agreement. Changes must be in a writing signed by both parties.
